## STUDENT ACCIDENT INSURANCE For Athletics or Personal Use

The Livingston Parish School Board is pleased to inform you that optional Student Accident Insurance Coverage is available to you again this year. Multiple coverage options, plans and rates are available to allow for a coverage plan that best suits your needs. Policy information is available at [www.bollingerschools.com](http://www.bollingerschools.com)

Reasons to Purchase this Coverage:

- If you **have** personal healthcare coverage and your student has an accident while at school or at a school sanctioned event, your personal insurance would likely be the primary coverage and the Bollinger coverage would be a secondary that could cover those deductibles.
- If you **do not** have personal healthcare insurance, you could purchase this insurance to cover your student for multiple types of situations. Please note that it is required for all students participating in school sanctioned athletics to have some form of health insurance coverage. The Bollinger coverage does satisfy this requirement.
